Re: Your Request for Advice;
Our File No. A-85-233

Dear Ms. Passmore:

Thank you for your letter dated November 6, 1985, requesting advice pursuant to Government Code Section 83114(b). However, I cannot advise you about someone else's duties under the Political Reform Act. See 2 Cal. Adm. Code Section 18239 (copy enclosed). Whether Commissioner Montgomery can participate in consideration of Commission regulations on redevelopment decisions is discussed in general terms in my letter to him dated November 1, 1985. I believe you already have a copy of that letter. I am unable to give you any additional advice concerning Commissioner Montgomery's duties under the Political Reform Act.

Very truly yours,

Barbara A. Milman
General Counsel

Dear Ms. Milman,

I am hereby requesting written advice, under government Code Section 813114 (b) with respect to the following:

Would a commissioner of the Fair Political Practices Commission be in conflict of interest under provisions of the Political Reform Act if he is participating in discussions, drafting of or voting on any regulations or decisions affecting redevelopment agencies at the same time that he is deriving income as redevelopment counsel to a number of redevelopment agencies?

Thank you for your attention to this request.

Sincerely,

Sherry Passmore
